CERTIFICATE
of Registration

Information Security Management System
ISO/IEC 27001:2022

This is to certify that:

Airbyte Inc
2261 Market Street #4381
San Francisco, CA 94114
United States

Holds Certificate No: ISMS-4353-001
and operates an Information Security Management system that complies with the requirements of ISO/IEC27001:2022 for the following scope.

The scope of the Information Security Management System (ISMS) at Airbyte covers the assets, personnel, and business processes supporting the secure development, delivery, and support of Airbyte's data integration platform. This includes activities related to data operations, engineering, finance, human resources, product management, sales, security, and customer support, in accordance with the statement of applicability

Statement of Applicability: May 30, 2025

For and in behalf of Johanson Group:

Ryan Johanson, Partner

JOHANSON GROUP MSCB-314
ISO INFORMATION SECURITY MANAGEMENT SYSTEM
IAS ACCREDITED Management Systems Certification Body

This certification is issued as a result of the certification decision by Johanson Group LLP for the date issued according to ISO/IEC 17021-1 and certifies that the organization listed operates in compliance with the requirements of the named standard and is monitored by Johanson Group during the term of the certificate. The control set applied in the statement of applicability is used exclusively to reference the inclusion or exclusion of controls. These referenced controls do not serve as the basis for conformity assessment.
The certificate does not authorize the labeling of products or services.
